Physical Address

Texas A&M Memorial Student Center – Room 2300ABC

275 Joe Routt Blvd, College Station, TX 77840

Shipping Address

If you plan to ship booth materials, please notify iise.tamu.external@gmail.com and plan for the materials to arrive by Monday, January 23rd. We will have your items waiting at your booth. Companies wishing to have items returned via mail must provide prepaid return labels.

Ship to:
Attn: Daniel Adams
101 Church Ave. #416
College Station, TX 77840

Booth Information

Each booth includes a standard 30"x 6' table and 2 chairs. We do not limit the number of recruiters. Electricity is available. However, we do recommend bringing extension cords if you will need power at your booth. You will be notified of your booth assignment upon company check-in.

Tablecloths

Please provide your own tablecloth. If you will need a tablecloth, please contact iise.tamu.external@gmail.com as soon as possible.

Parking

Parking is available at Gene Stallings Blvd. Garage (SBG) and University Center Garage (UCG). Two parking validation cards for each day of attendance are included with your registration. When you arrive, please take a ticket from the kiosk at the garage gate. When you check-in at the career fair, you will receive your parking validation cards. When exiting the garage, swipe the validation card as payment.

Additional paid parking is available at Gene Stallings Blvd. Garage (SBG) and University Center Garage (UCG).

For parking questions, contact Transportation Services at (979) 862-7275

Parking Map

Overnight Storage

Low-value items can be left in the room overnight. Please note that TAMU IISE and Texas A&M University Center & Special Events (UCEN) cannot be held responsible for items left in the room.

Hospitality

Light snacks and drinks will be available. A snack cart will be running throughout the career fair.

Connecting to WiFi

Instructions

1. Choose **TAMU_Visitor** from the list of available networks on your device.
2. Click on **Create an Account**.
3. Register your account:
 1. Enter your *full name, mobile telephone number, and email address* in the fields provided.
 2. Accept the terms of use.
 3. Click **Register**.
You will receive both an email and a text message with your TAMU_Visitor username and password.
4. Enter your *email address and password*.
5. Click **Log In**. After a successful connection, you will be taken to the Texas A&M University web site.
6. You may close this connection browser window and use your device normally.

Your access will be available for 72 hours. After 72 hours, you will need to re-register your device by following the above instructions.

We look forward to seeing you at the career fair!
